Over 30 Years of Staffing Success

Rely on our expertise to recruit the best talent available.

Minimize Risk

For direct-hire placement, we minimize your risk by offering a one-year guarantee. Our fees are on a contingent basis.

Direct Hire – One-Year Guarantee

90-Day Unconditional Guarantee

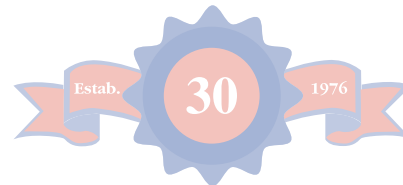

If our candidate leaves or is terminated for any reason within 90 calendar days from the date of hire, Palo Alto Staffing Services will either provide a suitable one-time free replacement for this position or refund a pro-rated service charge.

Temp-to-Hire – with Graduated Conversion Rate

If our candidate works temporarily at your firm and you wish to convert them to your payroll, we offer a discounted conversion schedule.

Temporary – Eight-Hour Guarantee

Should our temporary employee not meet your expectations for any reason within the first eight hours of service, your company will not be invoiced.

30 years of staffing

For over 30 years our ability to recruit Silicon Valley's best and brightest talent has forged long-term relationships with local employers.

Palo Alto Staffing Services is committed to improving the productivity and profitability of our clients by matching their needs with the best staffing solutions.

Our clients tell us that finding high-quality staff can be a time-intensive, high-risk proposition. Valuable time can be spent recruiting a candidate who may not be able to perform the job or who leaves within a short time. Our clients save time, money and minimize risk by working with Palo Alto Staffing Services as our searches are on a contingent basis with a one-year guarantee.

Our network of high-quality candidates has been built over 30 years.

Let our long-term relationships work for you.
